

Sustaining Member Program

What is the “AASuccess Sustaining Member” Program?

The AASuccess Sustaining Member Program has been developed to provide a committed source of funding for the day-to-day operations of AAS. By becoming a Sustaining Member, you are showing your understanding of the long-term nature of AAS’s commitment to students throughout both their high school and college years; and the necessity of having a dependable source of funding to ensure stability in the fulfillment of AAS’s mission.

In return, AASuccess will make official acknowledgment of and thanks for your donation via our public relations channels, as appropriate according to membership level. At a minimum, your name or your company name will be displayed on our website; a link will direct traffic from our website to yours; and you will receive our informative Quarterly E-Newsletter.
